CATALOGUE FOUR

A black and white photograph of a modern bedroom interior. On the right, there are large, floor-to-ceiling wooden wardrobes. In the center-left, a dark-colored sofa is adorned with a fur throw blanket. A low-profile coffee table sits in front of the sofa, holding a few items. The background shows a window with a view of a landscape. Overlaid on the image are several large, stylized yellow arrows pointing diagonally upwards from the bottom left towards the top right.
